Honors Elective Courses - Fall 2026

Please note that Honors electives are optional. If you do enroll in an Honors elective course, the lecture will be attended by the general UCR population enrolled in the course, but the discussion section will be limited to 15-20 Honors students, providing a smaller class size, and led by the faculty of record instead of a graduate student. To enroll, use all call numbers listed for each class. Please ensure you meet pre-requisites to be enrolled in the course as outlined in the UCR catalog.

For the most up-to-date day, time, and location information for each course, please refer to Schedule of Classes (classes.ucr.edu).
